EDUCATION

Arizona State University Online

Schedule to graduate December 2023 with a bachelor's degree in graphic information technology.

Auburn University, Auburn, AL

Transferred to Arizona but studied computer programing while here.

Wallace Community College, Dothan, AL

Graduated in 2016 With an AS degree and an AA degree.

WORK EXPERIENCE

July 2021—Present

Press Lead • Manufacturing • Motobilt

Training my team, ensuring that we meet our deadlines, and making sure everyone is doing the job correctly. Work along design team to ensure parts can be fabricated.

October 2020—June 2021

Operator • Sawmill • Abbeville Fiber

Training workers on the machines that I operate while visually inspect the wood as it comes through.

August 2018—August 2020

Fuel Associate • Customer Service • Walmart

Training workers on the procedures of the fuel station while maintain customer satisfaction and state compliance.

November 2016—August 2018

Service Associate • Customer Service • Winn Dixie

Handling customer's concerns and ensuring that the front end runs smooth. This includes keeping track of the money and keeping it safe.

September 2014—July 2016

Supply Clerk • Customer Service • Dale Medical Center

Taking deliveries and ensure that departments receive everything they need for patient care.
